

International Masters Swimming Hall of Fame

Selection Committee & Procedure

Criteria:

Masters athletes must have competed for a minimum of 16 years, spanning four five-year age groups. The minimum age requirement for beginning consideration is 25 years of age (as established by FINA).

Approximately nine inductees shall be selected annually. Representation shall be proportionate to each discipline's numbers of participants worldwide: female swimmers, male swimmers, divers, synchronized swimmers, water polo players or contributors.

The Selection Committee, comprised of international authorities in the sport, receives and considers nominees. A balloting process is used to finalize those selected for induction.

A point ranking system has been devised for the swimming discipline only:

World Rankings-Fina Masters since 1986

1st Place - 5 points

2nd Place - 3 points

3rd Place - 1 point

World Records-Fina Masters since 1986, Long Course Meters & Short Course Meters
