

Artistic Swimming Elite Coach at the High-Performance Center

The Austrian Swimming Federation is looking for an artistic swimming coach to work with its elite athletes. The objective is the further development of the elite athletes with top results on global and continental level.

Place of work:

- Bundessportzentrum Südstadt; Liese Prokop Platz 1, 2344 Maria Enzersdorf

Requirements:

- High level education as artistic swimming coach (certifications)
- Several years of experience in elite artistic swimming
- Goal-oriented and conceptual work as well as very good task and time management
- Good skills in communication
- Assertiveness and good leadership qualities
- Flexibility, ability to work under pressure
- Knowledge of the German language would be an advantage
- Good knowledge of the English language/good **English** communication skills, if not speaking German
- IT knowledge for training planning, implementation and documentation
- Possession of a valid driving license (category B / car)
- Work permit for Austria

Field of activity:

- Development of training plans and their implementation
- Organisation and coordination of training camps and competition schedules
- Preparation of the swimmers for international competitions, accompaniment and support of athletes at competitions
- Ongoing collaboration with the Medical & Sports Science Department and other stakeholders

For the advertised full time position we offer an annual salary of € 58.000 gross. The final classification is based on qualifications.
